He also believes that this will be a year of great challenges and opportunities for our Lodge and is grateful for the support, participation and involvement of every member.

**Move To New Lodge Location Details Coming**

“I have been asked on many occasions when we will be moving to our new location at the former VFW Post on Maytown Road. While we do not have an exact date on the official move to the new building, we will be expecting it to take place sometime in August.

“More specific dates will be announced as plans are finalized. When the exact dates are known, we will be looking for member help with the moving process as well as some minor renovations and clean-up required. Details will be posted in the Lodge, the Lodge website or in the next newsletter. If you have any question regarding these announcements please see me or any Lodge officer.

“Again, we appreciate your involvement and participation in this historic process for our Lodge and Chapter.”
