SPECIAL FUNDRAISER TO BENEFIT TAMI IRVIN

Our Lodge is donating the ballroom to host a special fund-raising event for Tami L. Irvin, wife of Henry Irvin. The Mount Joy resident has been diagnosed with sarcoidosis, an inflammatory disease that affects the lungs. Sarcoidosis attacks the organs and means a double lung transplant is needed. The costs will be enormous and we hope our Moose and Chapter members will support this event on Saturday, September 22, from 2 to 7 p.m.

A shuttle service will run from the high school parking lot to the Moose Lodge. The proceeds from the event will be kept in a Members 1st bank account to pay out costs for lodging, food, medications and rehab if a donor can be found. This is a young lady who has dealt with this disease since 2004 and has served our sick at the Rheems nursing center and worked as a caregiver throughout the county for many years.

Moose prides itself on being the Heart of the Community. Let's show Tami how much we really take that title seriously through our help!
