**\*\*\* SPECIAL MEMO \*\*\***

In previous years, there seemed to have been confusion concerning parents accompanying the students to the Association Student Congress. Whether the misunderstanding was at the State, Lodge or Chapter level, the Association Student Congress is for students and Chaperones only.

Parents may serve and are encouraged to serve, if they wish, as a chaperone or the lodge or chapter may appoint a responsible adult, if the parent approves, and he/she will oversee the students to and from and as well as during the Association Congress.

# Chaperones

## Chaperones Responsibilities:

- Chaperones are required to transport their student representatives to and from YA Congress.
- Check students into Congress, using their names as they appear on the student form and the lodge that sponsored them to the congress.
- Required to remain with their student representatives during the Saturday's congress. Attendance will help you answer questions your students may ask you when organizing their Kids-Talks. You will also attend a chaperone meeting during Saturday's congress.
- Students are not to be dropped off & picked up later.

They have the responsibility to not engage in the use of alcohol or tobacco products while interacting with the Youth Awareness students at all times. This includes the host meeting, any form of transportation that the lodge may provide for students, any Kids-Talk that may be in your lodge, and from the time that you leave your lodge with students to attend the Student Congress until you return them safely home. NO smoking is allowed around the students. Absolutely no alcohol will be tolerated while acting as a chaperone from the time you leave your lodge until you return.
