

Dear President Donahue and state board;

This is the report of the activities/sports committee. Since the start of COVID, we have seen many changes. First we had shutdowns, and then we had red, yellow, and green counties and other rules regulations. Now we have even more regulations that we must follow in order to keep our doors open to our members. By far the number one question that should be asked is what is going to bring the members back to the lodge? I believe lodge activities will be as vital as ever to get the members in. Now that our lodge homes are non-smoking it will be family activities that will be one of the strongest attractants to bring in new members and retain old members. We will have to work together and share ideas across the association.

Activity/sports updates:

Bowling – canceled at Lewistown. Lewistown is going to look to host this event in the Fall 2020

Pool – Millerstown was canceled. They have asked to host this event next year.

Cornhole – Hamburg is canceled

Golf – East Erie is canceled. They have expressed interest in hosting next year so hasn't another lodge

PMA Picnic was canceled until next year

Moose Riders talked to Bud as of right now the ride is still on they will decide soon.

Pirates baseball game for august is still on if the park opens up for fans and if the schedule doesn't change.

All moose international tournaments are canceled for 2020, including golf, pool, horseshoes, and skeet, trap and sporting clays. Moose international will refund any registration fees already paid. The Texas hold-em tournament is still planned as scheduled for January in Las Vegas, however, check the website.

We look forward to a full tournament schedule in 2021 and hope for a better year for all. For additional information on any of these tournaments, or if your lodge would be interested in hosting a future tournament please contact: Jim Colton, visit the PMA website, or visit the Moose International website for more information.

Fraternally,

James Colton
