

August 22, 2020 PMA By Laws Report

Good Morning All,

Before I begin I want to say what a crazy time we have all gone through during this pandemic. Our lives have all been effected one way or another. At last the PMA Convention I remember Stan Adams saying we never know when we will see each other again. I never anticipated the results that we have experianced. I also want to thank the PMA Executive Board for all of your work in holding this Convention virtually.

The By-Law committee was not able to meet until June and everything has been handled very quickly. We did have a meeting following the vote at the International Convention. As a result of the vote we have made the necessary changes to the PMA By-Laws.

POWER POINT

These changes were presented to the PMA Executive Board and a few minor changes were added. The changes were then sent to the PMA State Board for review and a motion to bring to this PMA Convention.

These changes were emailed to all Lodges with an email directing all questions to me. I did not receive any questions and therefore I assume that everyone understands these needed changes.

In closing, I want to welcome our newest member to the Committee Cindy Shilling. I also want to say thank you to the entire Committee which consists of Ron Maley, Jeff Lechner, Bob Zelinski, and a huge thank you to Jim Fleming for a lot of last minute corrections.

Respectfully Submitted,

Tom Wells

PMA By-Laws Chairman
