

*****FRATERNAL SERVICE AWARD*****

The Moose Legion Fraternal Service Award recognizes those units of the Degree of Service that have upheld their promise to “do some good thing for someone each day” by meeting their membership, financial and fraternal goals during the fiscal year.

The program is comprised of five (5) criteria that are easy to understand and easy to measure. These criteria address the primary areas of focus for the Moose Legion Board of Directors.

The criteria are:

- Increase active membership over the previous fiscal year (May 1 to April 30)
- Increase Endowment Fund contributions over the previous fiscal year
- Improve Arrearages by reducing the total of the sum of expired & dropped members for the fiscal year
- 100% of assigned commitment to annual Moose Legion Projects by April 30
- Transmit a full Board of Directors report by May 10 (must report a complete board of seven members – unless a dispensation has been granted)

In addition to the award plaque presented to the Moose Legion unit, each member of the Board of Directors will receive a lapel pin signifying this accomplishment plus a date medallion for placement on the plaque will be awarded for each year the award is achieved.

Violations of the Code of Rules or General Laws disqualify the unit. These criteria are straightforward and easy to track. They can be achieved by any jurisdiction of any size. Will you pitch in and help your jurisdiction achieve this award this year?
