

Moose Legionnaires of Distinction Recognition Program

A program to recognize the top producing Moose Legion sponsors!

As members of the Degree of Service, it is our responsibility to help build the strength of the Order. We can do it – one member at a time, by inviting individuals to become part of the Order and encouraging eligible Lodge members to advance so they can become part of the program of the Moose Legion.

In the Lodge and Chapter, sponsors of 25 or more applications during a fiscal year have traditionally been invited to join the Director General at the International Convention for an event of recognition at the “Circle of Distinction” and “Heart of Distinction” annual program. Moose Legion is now included!

Starting in 2012 our Moose Legion sponsors of 25 or more Moose Legion applications during the prior fiscal year are now part of this program and are recognized as “**Moose Legionnaires of Distinction**”. They were / will be invited to participate in this annual program. The event venue will change from year to year. It may be a cocktail party, a dinner, a show or something else. What it will be - is recognition of the efforts of our most illustrious sponsors for the prior year.

The first group was invited to attend the program at the International Convention in Tampa Florida. Last year there was a cocktail reception with food at the Milwaukee theatre prior to the Fun night. The next group would be invited to some festivities at the convention in Las Vegas. Will you be on the next list of distinction invitees?

Moose Legionnaires – It is our Centennial year - Please invite qualified Lodge Brothers to become part of our program to support Mooseheart and Moosehaven today! Both new members advancing for the first time and former members re-enrolling count towards qualification for this special recognition.

How close are you to achieving these levels of distinction in your sponsorship record? Only you can make it happen - by seeking out interested and qualified individuals to invite into membership. Good luck and happy sponsoring!

Moose Legionnaires of Distinction - Thank You – For Going the Distance!
