

Brothers,

The PMA Membership Committee will continue to promote the **“PMA Membership Booster Program”**. All donations received will be used exclusively for the enhancement of the existing membership programs that we currently have in place. In today’s competitive society our Association is challenged now more than ever to reach out to our current members with **“rewards”** and recognition for helping to increase and strengthen the area of membership. The donations received will enable us to build, improve and help us to grow in our fraternity. It will take us creating more unique programs, such as our “In House Membership Campaigns” and **“rewards”** along the way so that our members are properly recognized for their hard work, support and achievements. We give back to the sponsors over \$30,000.00 per year in our current programs. With the support of our Districts and their Lodges we will achieve our membership goal of **PLUS 1**, and end the Moose year (**May 1<sup>st</sup> 2017 through April 30<sup>th</sup> 2018**) with more members than we started with. However we can’t do it without all the Lodges in the PMA’s help, membership wise and financially. Since every Lodge in the PMA has benefited from the Booster Program (5/25 party invites, money clips, duffle bags, \$75 Amazon gift cards, etc.) we would appreciate all Lodges, to make at least a \$50 donation to this program. If you can afford more – it would be most appreciated!

**NEW this year - for a \$500 or more donation, your Lodge will receive recognition at the Mid-Year Conference and the State Convention.**

**\*Any and all donations made to the Booster Program will be posted, and updated monthly on the PMA website, under the Membership tab.**

\* Districts, Lodges and members are urged to participate. The minimum of a \$50 donation from Lodges and Chapters allows your Brothers or Co-workers to be invited to the 5/25 Club Party. The program will run each year from **May 1<sup>st</sup> through April 30<sup>th</sup>** please send donations to PMA Secretary Shawn Baile and  **earmark check “PMA Membership Booster Program”**. We truly thank you for your support of the membership programs over the years and look forward to your continued support on our way to being one of the Top Associations.

Fraternally yours,
