Bill,

Thank you for the opportunity and consideration. I am not sure how much detail you want so I will provide a brief overview. Pennies From Heaven is a volunteer run 501(c)(3) founded by me and my wife Joni. We work through the social workers at Children's Hospital of Pittsburgh to provide economic assistance to families in need with a child admitted to the hospital. Our goal is that no child will ever be left alone in a hospital room.

We provide everything from small gifts to large gifts. An overnight bag, brown bag lunch, utility bills, paying for childcare at home, supplementing lost wages, and even mortgage and car payments if necessary. We have helped more than 125,000 families and are most proud to say that every single dollar ever donated has gone directly to a family in need. We have never used any donated money to run our organization, we use our own funds and rely on volunteers. There is a very personal story behind our desire to help and you can read more at this link if interested:

Please let me know if you need anything else & keep up the great work in helping the needy!!!
