

I am currently reading a note I received from Garrett Otterbein of Wrightsville Pa. It reads.....

Dear Mr. Henry

I want to personally thank you for all of your help and guidance over the past couple of years, but more importantly I wish to thank you for 2005 and what you have done for me by sponsoring me at the youth awareness congress that year.

Because of your efforts, I went on to represent Pennsylvania at the International level at Disneyland in California and I was fortunate enough to receive the 3rd place \$ 2,000.00 scholarship.

This scholarship is a tremendous blessing because I am attending my first semester of college at James Madison University. Needless to say the funds have been extremely helpful to me and my family and I am living my dream to attend college.

I understand that my younger sister will be competing this year and I am sure she will do you proud.

Again, thank you from a very grateful future Moose member.

Respectfully,

Garrett
