Born and raised in Tunkhannock Pa. At a very early age I worked for the local farmers doing chores before going to school. Evenings were spent helping my parents on our own farm. Farming is something I enjoy and have continued to this day. My wife and I raise a small herd of beef cattle on our property in Tunkhannock.

My wife Judy and I were married in July of 2009, blending our families to include three sons, Mark, Luke and Sean, our daughter-in-law Ashley, and two beautiful granddaughters, Sally Quinn and Marjorie Joy (Maggie for short).

I retired in February 2022 from the Wyoming County Correctional Facility where I was a Corrections Officer for 36 years. I spent many of those years as Union Steward.

I've been active in the Wyoming County Dart League and Pool League, both as a participant and an officer. I played softball for local teams, spent many hours hunting and fishing on our family farm.

I began my Moose journey in 2004, starting as a Trustee and becoming Governor a couple years later, I was Governor of the Tunkhannock Moose Lodge 1276 for 2 1/2 years then moved into the Administrator Role, which I performed for 7 1/2 years. I have been District President and was Chairman of the Safe Surfin' Committee for PMA. Safe Surfin' will always hold a special place in my heart and I hope to be able to stay active in some capacity. In August 2021 I became Territory Manager for Territory 2 (Connecticut/ Massachusetts, Rhode Island). Until just recently transferring back to my home state and taking over Territory 3. (North/East PA, Central /East upstate NY).

I am a member of the 25 club and I am just short of the 250 division. I received my Fellowship Degree of Honor in 2012 and Pilgrim Degree of Merit in 2019.

I hold memberships in Tunkhannock PA 1276; Avonmore PA 37; Montour Falls NY 426; Thompsonville CT 1525; Chicopee Fall MA 1849, and Susquehanna Legion 89.

*Honoring and remembering our veterans*

heart's NJROTC unit, honors the men and women who serve and have served our country both proudly and bravely through military duty.

It is a personal *“thank you for your service”* to all veterans who are family members, friends or fellow Moose members and it is not limited to those who are deceased or who served during wartime.

Please join us on the Mooseheart campus as we honor and remember all of our veterans each year during Memorial Day weekend and the week of Veterans Day in November. There you will find the flags and plaques lining the streets of Mooseheart recognizing the veterans.

**The Veteran's Walk is currently under construction! Coming May 2023...**

\*All existing personalized markers will be displayed in a series of kiosks along a walkway with a selection of flags. The new design provides an opportunity to secure the engraved plaques and view the walkway with a stunning backdrop of flags when visiting the new Veteran's Walk. This will offer an opportunity to honor our veterans from all branches of services two times per year for Memorial Day and Veteran's Day.

## **Retention is the Key**

You hit your **retention goals** by having a retention plan that covers the following:

**Have a new member orientation program. Let everyone know about what we are all about, kids, seniors and community.**

**We are not the inexpensive bar/grill down the street.**

**Make sure all members know you appreciate them. Make sure you have lots of activities for everyone. You must be the Friendliest Place in Town.**

**DO NOT be the BEST KEPT SECRET IN YOUR COMMUNITY.**

**Brag about what you are doing for the fraternity and your community. If need be write the article for the newspaper and submit it. Most papers will print it at no charge in their community section.**

**Build a retention team. It is not a one person job. Use up to date reports from LCL to make contact with expired members and soon to be expired members. Use the expired member kit that is sent to the lodge every month.**

**Keep communication channels open.**

**Listen to your members**

**Thank You,**

**Retention Chairman**

## **Retention is the Key**

You hit your **retention goals** by having a retention plan that covers the following:

**Have a new member orientation program. Let everyone know about what we are all about, kids, seniors and community.**

**We are not the inexpensive bar/grill down the street.**

**Make sure all members know you appreciate them. Make sure you have lots of activities for everyone. You must be the Friendliest Place in Town.**

**DO NOT be the BEST KEPT SECRET IN YOUR COMMUNITY.**

**Brag about what you are doing for the fraternity and your community. If need be write the article for the newspaper and submit it. Most papers will print it at no charge in their community section.**

**Build a retention team. It is not a one person job. Use up to date reports from LCL to make contact with expired members and soon to be expired members. Use the expired member kit that is sent to the lodge every month.**

**Keep communication channels open.**

**Listen to your members**

**Coordinator of Activities &**  
**Heart of the Community**

## **Retention is the Key**

You hit your **retention goals** by having a retention plan that covers the following:

**Have a new member orientation program. Let everyone know about what we are all about, kids, seniors and community.**

**We are not the inexpensive bar/grill down the street.**

**Make sure all members know you appreciate them. Make sure you have lots of activities for everyone. You must be the Friendliest Place in Town.**

**DO NOT be the BEST KEPT SECRET IN YOUR COMMUNITY.**

**Brag about what you are doing for the fraternity and your community. If need be write the article for the newspaper and submit it. Most papers will print it at no charge in their community section.**

**Build a retention team. It is not a one person job. Use up to date reports from LCL to make contact with expired members and soon to be expired members. Use the expired member kit that is sent to the lodge every month.**

**Keep communication channels open.**

**Listen to your members**

**Thank You,**

**Retention Chairman**
