## **Retention is the Key**

You hit your **retention goals** by having a retention plan that covers the following:

Have a new member orientation program. Let everyone know about what we are all about, kids, seniors and community.

We are not the inexpensive bar/grill down the street.

Make sure all members know you appreciate them. Make sure you have lots of activities for everyone. You must be the Friendliest Place in Town.

DO NOT be the BEST KEPT SECRET IN YOUR COMMUNITY.

Brag about what you are doing for the fraternity and your community. If need be write the article for the newspaper and submit it. Most papers will print it at no charge in their community section.

Build a retention team. It is not a one person job. Use up to date reports from LCL to make contact with expired members and soon to be expired members. Use the expired member kit that is sent to the lodge every month.
