Welcome to the  
**PENNSYLVANIA MOOSE ASSOCIATION  
STATE CONVENTION 2025**

**from 2025 PMA STATE PRESIDENT THOMAS WELLS**

I want to welcome each of you to the 88th Annual PMA Convention. I want each of you to know that I do appreciate you taking the time to be here. I know that this weekend takes time away from our personal lives as well as expense to attend. With that being said, you are here and I want to say THANK YOU!!

Wow! It's hard to believe that this year has come and gone so quickly. I want to express my gratitude to all of our PMA Lodges that supported the AAA project at Moosehaven. And then, when the PMA was asked to step up to repair the HVAC project our Lodges came shining through. I thank each of you at the Convention for your support on this project.

Please pay attention to my Presidents report for the exciting news on the upcoming Capitol project at Mooseheart. In Closing, I hope each of you enjoy your time here in Pittsburgh this weekend and take valuable information back to your Lodges.

It has been an honor to serve the PMA as President for the past year and I want to say thank you for the opportunity.

May God Bless each of you in your travels home.

## TERRITORY MANAGERS

### RON MURACH

TERRITORY 3 - CENTRAL NEW YORK, NE PENNSYLVANIA

Email: [Mooseman1276@gmail.com](mailto:Mooseman1276@gmail.com)

Phone: 570-881-9705

Born and raised in Tunkhannock, Pa. At a very early age I worked for the local farmers doing chores before going to school. Evenings were spent helping my parents on our own farm. Farming is something I enjoy and have continued to this day. My wife and I raise a small herd of beef cattle on or property in Tunkhannock.

My wife Judy and I were married in July of 2009, blending our families to include three sons—Mark, Luke, and Sean—our daughter-in-law Ashley, and two beautiful granddaughters Sally Quinn and Marjorie Joy (Maggie for short).

I retired in February 2022 from Wyoming County Correctional Facility where I was a Corrections Officer for 36 years. I spent many of those years as Union Steward. I've been active in the Wyoming County Dart League and Pool League, both as a participant and an officer. I played softball for local teams, spent many hours hunting and fishing on our family farm.

I began my Moose journey in 2004, starting as a Trustee and becoming Governor a couple years later, I was Governor of the Tunkhannock Moose Lodge 1276 for 2 1/2 years then moved into the Administrator Role, which I performed for 7 1/2 years. I have been District President and was Chairman of the Safe Surfin' Committee for PMA. Safe Surfin' will always hold a special place in my heart and I hope to be able to stay active in some capacity. In August, 2021 I became Territory Manager for Territory 2 (Connecticut/Massachusetts, Rhode Island). Until just recently transferring back to my home state and taking over Territory 3. (North/East Pa., Central/East upstate NY).

I am a member of the 25 club and I am short of the 250 division. I received my Fellowship Degree of Honor in 2021 and Pilgrim Degree of Merit in 2019. I hold memberships in Tunkhannock PA 1276, Avonmore PA 37, Montour Falls NY 426, Thompsonville CT 1525, Chicopee Fall MA 1849, and Susquehanna Legion 89.

### TOM WOODINGS

Email: [twooding@mooseintl.org](mailto:twooding@mooseintl.org)

Phone: 315-359-0918

Tom Woodings is a Territory Manager for Territory #4. My position is to help the lodges be successful by training the necessary skills or getting them to the proper classes, like Moose International's core values and policies, checking that the Moose business skills are being followed and ideas to improve a lodge.

My core value is to support people through an organization like the Moose which helps communities by helping people that are orphans needing housing, food and education as well as seniors with housing and living expenses through Mooseheart and Moosehaven.

Joining Universal Moose Lodge #298 (Pittsburgh, PA) in 1997 and seeing all the people the Moose helped, I joined the Western PA Legion #1 in 2012. A few years later, I received the Fellowship Degree of Honor in 2015. In both the Lodge and the Legion, I have held all the Board of Officers' positions.

I have been helping with multiple different fundraisers. In the Sons of the American Legion Post 980 (2010-present), we have had fundraisers for our country's Veterans. I start and served as the President of the Pittsburgh Chapter of the Marine Corps Family Foundation where over 25,000 care packages have been sent to the front line troops, during the years of 2009 until 2016.

Lastly, I was an Class A Member of the Professional Golfers Association of America (1986 – 2005) and named as one of Americas top 100 golf instructors by Consumer Research Inc. and listed in Golf Digest Magazine in 2000.

## MOOSEHEART VETERAN'S WALK

### HONORING AND REMEMBERING OUR VETERANS

The Mooseheart Veterans Walk opened in May of 2012. This majestic walkway tribute is under the responsibility of the Veterans Area at Mooseheart and is complete with flags and pillars that have Veterans names on them. There is always room for more Veterans when needed.

What a great way to say Thank You to a Veteran, a member of your Lodge, Chapter, Moose Legion, or someone special.

Remember when you see or meet a Veteran to just say "Thank You", it means a lot to a Veteran because it shows that you care for what they did for us all!

# Thank You!

## The 2-year Special Commitment Committee is pleased to introduce you to: Nevin's Hunting Friends

**Our Story:** In May of 2014, an 8-year-old boy (Nevin who has juvenile rheumatoid arthritis) was at a spring turkey hunt for kids. There were approximately 25 kids in the hunt and after the hunt was over for the day, there was a luncheon. After lunch all the kids were outside playing except for a small handful of special needs kids. The kids kept playing while the special needs kids watched.

On the way home from hunting, Nevin came up with the idea to start a youth hunting group for special need kids. Nevin said "It will be for the kids with special needs that can't get into the woods and hunt, I know they have trouble hunting sometimes. Let's take them in the woods and give them a hunt of a lifetime dad."

So, in the fall of 2015, with the inspiration of a young lady with a larger-than-life heart herself, Nevin called his group *Nevin's Hunting Friends*. Nevin's request after leaving the turkey hunt was to help those kids that sat with him at the luncheon.

The mission is to help those kids that have trouble getting into the woods due to their illness and give them a hunt of a lifetime; anything to help that child forget about their illness, not be in pain, or remember any struggle they have at that time, and to put a smile on their face and make them happy, even though it's for a short period of time.

**PLEASE MAKE SURE YOU HELP SUPPORT

*PLEASE SHOW YOUR SUPPORT AND SPONSOR STUDENTS IN THE MOOSE YOUTH AWARENESS PROGRAM. THEY ARE OUR FUTURE HEROES!*

### PMA YOUTH AWARENESS

The Youth Awareness Congresses are just around the corner. It's that time again to be recruiting students for the congress in your area. Information has been emailed to your lodges and chapters and posted on the PMA website at [www.pamoose.org](http://www.pamoose.org).

Moose units should be working with your chairpersons on this program so that we can have great attendance at the congresses this year. This program makes the lodges and their communities a much better and safer place in the community. Lodges and Chapters should work together on this great program, as it makes it much easier to work with the students and their kids-talks.

District Presidents should be working with your chairperson on this program so they can work with the lodges and chapters so we can have a great year with the congresses. Please mention this at every district meeting from now until February. We are looking forward to working with everyone on this great program. If we can help in any way, please contact us.

The 2025-2026 PMA YA Congresses will be posted on the PMA website and sent to all moose units once finalized.
