**PMA STATE CONVENTION WELCOME**  
**from 2026 PMA STATE PRESIDENT WILLIAM DOUGHERTY, JR**

Welcome, fellow Moose members, honored guests and friends. On behalf of the officers and members of the Pennsylvania Moose Association, it is my great honor and privilege to welcome you to our mid-year convention.

We come together today not just as delegates from lodges across the commonwealth, but as brothers and sisters united by a shared commitment to fellowship, service, and community. For generations the Moose has stood for caring for those in need, supporting our youth, honoring our veterans, and strengthening the communities we proudly call home. This convention represents the very heart of our organization. It is a time to reflect on our accomplishments, to exchange ideas, to renew the bonds that make the Moose more than just an organization--it makes us a family. Over the next several days, we will conduct important business and celebrate the dedication of our members who give so generously of their time and talent that defines who we are as Moose members. I would like to thank our volunteers, and everyone who makes this convention possible.

*Fraternally,*  
Billy Doc  
President 2025-26

TERRITORY 3 - CENTRAL NEW YORK, NE PENNSYLVANIA

**Email: [Mooseman1276@gmail.com](mailto:Mooseman1276@gmail.com)****Phone: 570-881-9705**

Born and raised in Tunkhannock, Pa. At a very early age I worked for the local farmers doing chores before going to school. Evenings were spent helping my parents on our own farm. Farming is something I enjoy and have continued to this day. My wife and I raise a small herd of beef cattle on or property in Tunkhannock.

My wife Judy and I were married in July of 2009, blending our families to include three sons—Mark, Luke, and Sean—our daughter-in-law Ashley, and two beautiful granddaughters Sally Quinn and Marjorie Joy (Maggie for short).

I retired in February 2022 from Wyoming County Correctional Facility where I was a Corrections Officer for 36 years. I spent many of those years as Union Steward. I've been active in the Wyoming County Dart League and Pool League, both as a participant and an officer. I played softball for local teams, spent many hours hunting and fishing on our family farm.

I began my Moose journey in 2004, starting as a Trustee and becoming Governor a couple years later, I was Governor of the Tunkhannock Moose Lodge 1276 for 2 1/2 years then moved into the Administrator Role, which I performed for 7 1/2 years. I have been District President and was Chairman of the Safe Surfin' Committee for PMA. Safe Surfin' will always hold a special place in my heart and I hope to be able to stay active in some capacity. In August, 2021 I became Territory Manager for Territory 2 (Connecticut/Massachusetts, Rhode Island). Until just recently transferring back to my home state and taking over Territory 3. (North/East Pa., Central/East upstate NY).

I am a member of the 25 club and I am short of the 250 division. I received my Fellowship Degree of Honor in 2021 and Pilgrim Degree of Merit in 2019. I hold memberships in Tunkhannock PA 1276, Avonmore PA 37, Montour Falls NY 426, Thompsonville CT 1525, Chicopee Fall MA 1849, and Susquehanna Legion 89.

**MOOSEHEART VETERAN'S WALK  
HONORING AND REMEMBERING OUR VETERANS**

The Mooseheart Veterans Walk opened in May of 2012. This majestic walkway tribute is under the responsibility of the Veterans Area at Mooseheart and is complete with flags and pillars that have Veterans names on them. There is always room for more Veterans when needed.

What a great way to say Thank You to a Veteran, a member of your Lodge, Chapter, Moose Legion, or someone special.

Remember when you see or meet a Veteran to just say "Thank You", it means a lot to a Veteran because it shows that you care for what they did for us all!

**Thank You!**

## The 2-year Special Commitment Committee is pleased to introduce you to: Nevin's Hunting Friends

**Our Story:** In May of 2014, an 8-year-old boy (Nevin who has juvenile rheumatoid arthritis) was at a spring turkey hunt for kids. There were approximately 25 kids in the hunt and after the hunt was over for the day, there was a luncheon. After lunch all the kids were outside playing except for a small handful of special needs kids. The kids kept playing while the special needs kids watched.

On the way home from hunting, Nevin came up with the idea to start a youth hunting group for special need kids. Nevin said "It will be for the kids with special needs that can't get into the woods and hunt, I know they have trouble hunting sometimes. Let's take them in the woods and give them a hunt of a lifetime dad."

So, in the fall of 2015, with the inspiration of a young lady with a larger-than-life heart herself, Nevin called his group *Nevin's Hunting Friend*. Nevin's request after leaving the turkey hunt was to help those kids that sat with him at the luncheon.

The mission is to help those kids that have trouble getting into the woods due to their illness and give them a hunt of a lifetime; anything to help that child forget about their illness, not be in pain, or remember any struggle they have at that time, and to put a smile on their face and make them happy, even though it's for a short period of time.
